1. Think about the areas you live / work / study in. What shops, restaurants and other facilities are there in each area? Compare with a partner. Which area is best?

2. **VOCABULARY** Local facilities:

1) Ex A-C p 30

3. **GRAMMAR** Prepositions of place:

When we explain where things are, we usually use prepositions - words like **next to, on, at, between and opposite** - to make it clear. These prepositions are often in expressions.

IN FRONT OF

The dog is in front of the man.

BEHIND

The dog is behind the postman.

ABOVE

UNDER

The bone is above the dog.
The dog is under the bone.

NEXT TO

The dog is next to the bones.

BETWEEN

The bone is between the two dogs.

IN

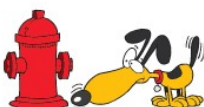

The dog is in the bed.
There is a thermometer in its mouth.

OVER

BELOW

The blue dog is over the fire hydrant.
The fire hydrant is below the blue dog.

ON

The dog is on the table.
The woman has dog saliva on her.

1) Ex A-B p 30

4. LISTENING

EX A-B P 31

Track 29

Listen three different conversations . What places do they ask about? Why?

Listen again. Tick the sentences that are true.

5. DEVELOPING CONVERSATION

I need to ... use for describing a reason why we need to go some places .

I need to get some money. Is there a bank near here?

6. HOME TASK : Wb p 24-25 do all exercises

Learn the preposition of the place
